

# IN THE SEACOAST AREA, YOUR SMALL BUSINESS HAS A NEW OLD FRIEND.

Born in New Hampshire's North Country in 1889, First Colebrook Bank – the “Moose Bank” – is well known as the state's favorite bank for small business.

We're a New Hampshire-owned, community bank offering personalized, knowledgeable service and meeting the needs of businesses from the Great North Woods to Concord's Capital District and south to Amherst and the Souhegan Valley region. Now the Moose Bank has opened a Business Loan Center in Portsmouth to serve the Seacoast.

You may already know John Pratt and Robert Davis. For years, they helped small businesses in the Seacoast as local community bankers. Now they've both returned to the area and are eager to talk with you about solutions to your small business financing needs.
